

Air distribution in Amadeus 2021 Highlights

amadeus

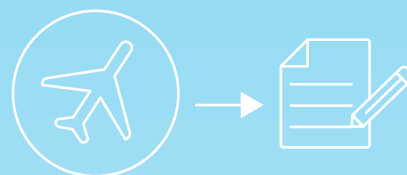

Air content

The **Amadeus Travel Platform** connects airlines to the biggest network of travel sellers worldwide, and gives travel sellers access to **400+** airlines, including **140+** low cost and hybrid carriers, all integrated in one merged display

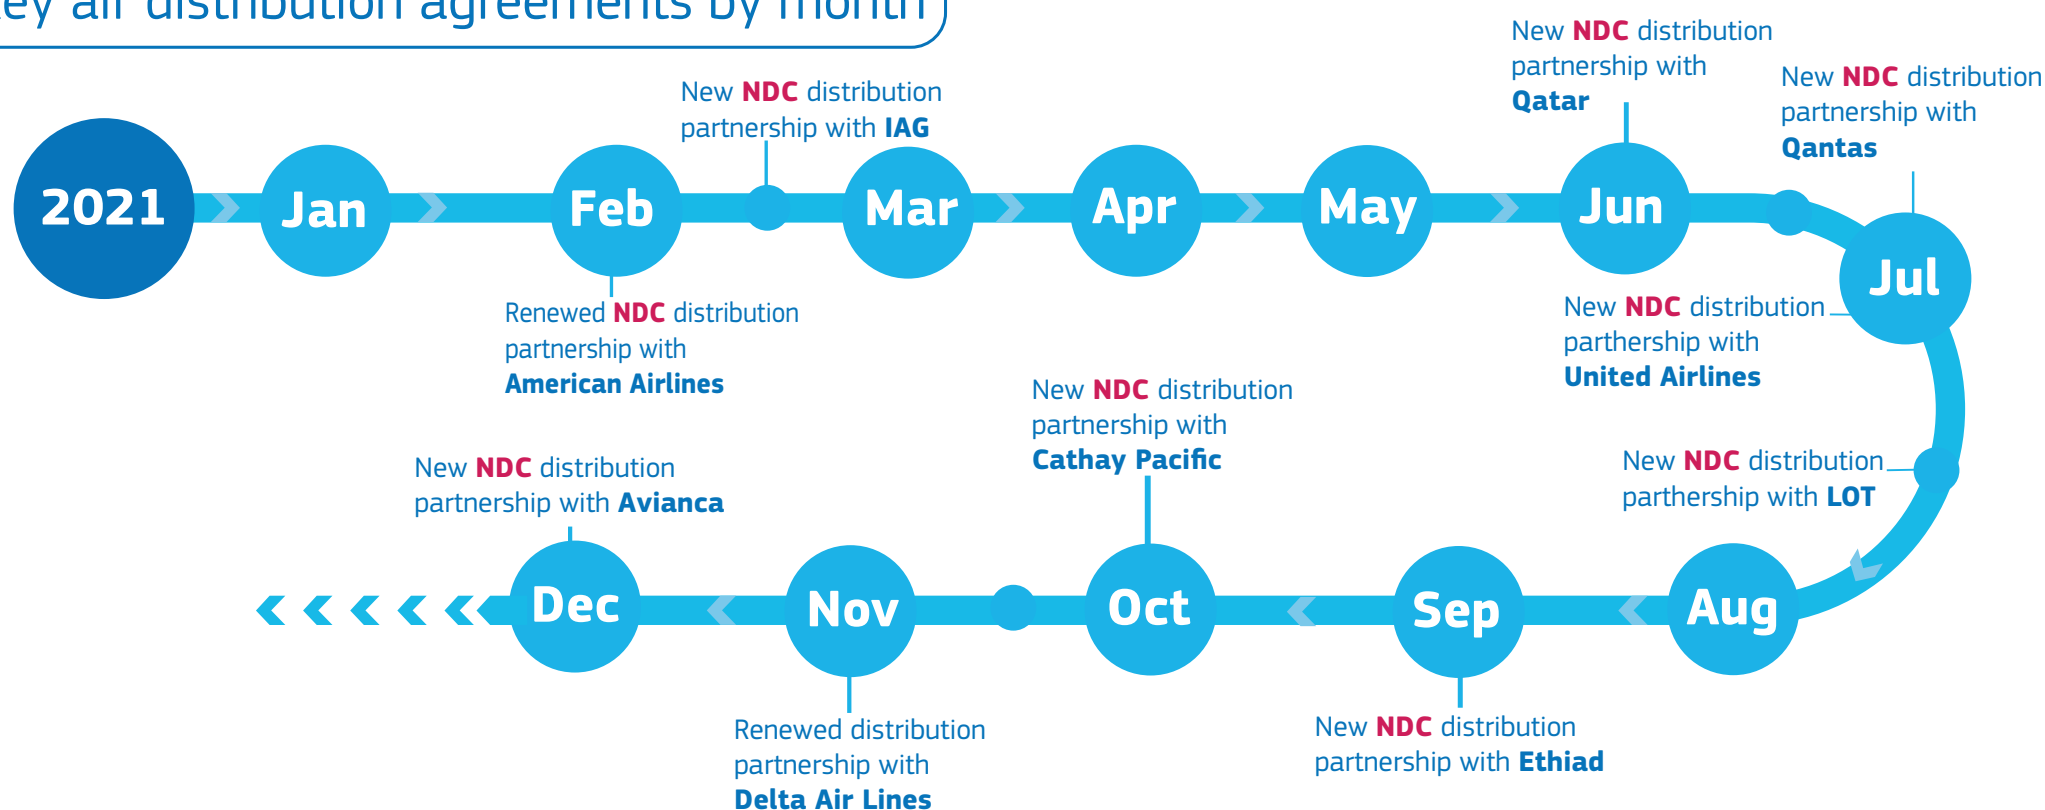

Travel sellers enjoy instant visibility and unmatched accuracy for **120 Altéa** carriers

Content agreements with **150+** carriers, of which **110+** offer their best available fares in Amadeus

Key air distribution agreements by month

Airline merchandising

With Amadeus **merchandising content**, airlines and travel sellers:

- **Increase their customers satisfaction** by offering personalized content in a one-stop shop
- **Boost their profitability** by increasing their efficiency with seamless booking and exploring new monetization opportunities
- **Strengthen their brand and relationship with other industry partners** by enhancing the offer and providing additional air content

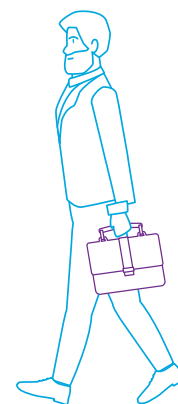

And with **Routehappy's Rich Content images and amenities** live in Amadeus Selling Platform and Amadeus Web Services, our partners enjoy more opportunities to upsell, cross sell and better showcase and communicate the best travel option to the travelers.
