

# Amadeus B2B Wallet Prepaid

Turn payments into profit

Purchase any type of content for any supplier in multiple currencies

A simple, cost-effective way to manage the complex process of paying your travel suppliers

A single wallet

with a choice of two prepaid virtual payment cards

Choose the card

that will maximise your financial benefits when paying for all your travel content

## Save

Save with a Visa debit card to minimise or avoid supplier card fees and surcharges

## Earn

Earn a rebate on every purchase with a prepaid MasterCard

Control how and when each virtual card is used, for minimal risk

All your booking and payment data in a single report for streamlined reconciliation
