

Amadeus Hotels

Make more money with hotels

aMADEUS

Do business the way you want

More content ✓

We set ourselves one simple challenge: to ensure that you find the hotel content you need through one single shopping window.

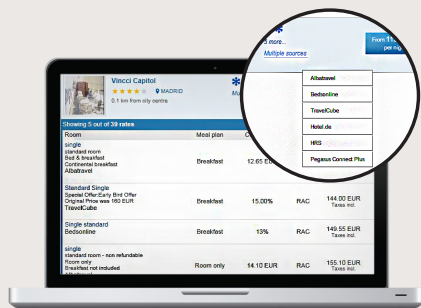

More business models ✓

We don't force you to change how you contract and make money - we let you continue to work with your preferred partners the way you want.

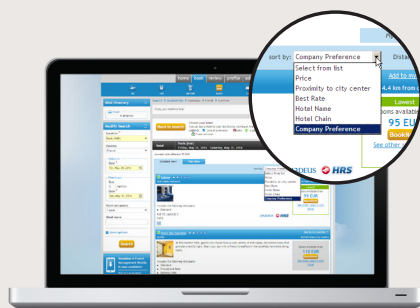

More points of sale ✓

The marketplace can be accessed via Amadeus point of sale solutions and by any third party through our Web Services.

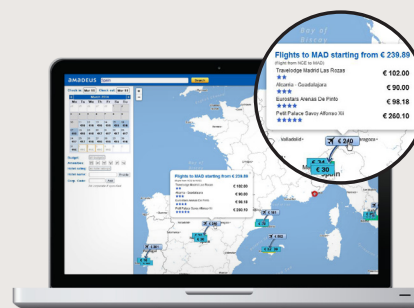

Amadeus Hotels Plus

A one-stop-shop for travel agents: allows quick and easy comparison from multiple providers on a single screen.

Amadeus e-Travel Management

Enables travellers to easily compare and choose great options that align with company policy.

Amadeus Hotel Web Services

Bring you the best air and hotels rates on one single screen in less than a second.
