

Amadeus Mini Rules

Essential fare rules and conditions for you and your customers

Amadeus Mini Rules displays essential fare rule information

- advanced reservation & ticketing
- minimum & maximum stay
- voluntary changes and refunds

Any applicable penalties are clearly and concisely displayed.

Amadeus Mini Rules

Amadeus Mini Rules extracts and displays the most important fare conditions for a given pricing from long, complicated fare note texts.

Travel Agents

SAVE TIME

Amadeus Mini Rules lets travel agents display the most important fare rules and conditions instantly. This eliminates time wasted searching through long, complex fare rule texts.

Call Centres

INCREASE EFFICIENCY

Amadeus Mini Rules reduces the number of customer queries by giving your customers direct online access to clear, concise fare rules.

Corporate Travel

IMPROVE DECISION-MAKING

Amadeus Mini Rules gives corporate travellers clear information about fare restrictions so they can make the right decisions when booking trips with travel management tools such as Amadeus e-Travel Management.

Web Services

CUSTOMISE CONTENT

Amadeus Mini Rules gives Web Services users the structured data they need to customise website content and provide translations in any language.

Amadeus Mini Rules is available now in your preferred Amadeus front-office solution

Use Amadeus Mini Rules in:
Amadeus Selling Platform
Amadeus Selling Platform Connect
Amadeus e-Travel Management
Amadeus e-Retail Engine
Amadeus Web Services
Amadeus API

Display Amadeus Mini Rules when pricing, or store and retrieve them later from the passenger record

Amadeus Mini Rules uses fare data filed by airlines, so they are accurate and up to date

Amadeus Mini Rules is available in graphical and cryptic displays
