

Amadeus Hotels GDS Content

Target and sell to our global community

Amadeus Hotels content choice

Amadeus Hotels offers an extensive breadth and depth of choice in hotel accommodation. We remove the complexity, cost and inconvenience of having to shop multiple websites and booking systems by offering a [wide variety of properties from combined sources, available to book in real time](#) through one centralised content platform.

Your challenge

It makes sense to use the most efficient global system to book hotels and to have access to as much hotel content as possible via a single source. All too often, however, travel consultants end up using multiple disconnected systems looking for the best rates, resulting in a lack of control and value. It is also hard to negotiate and comply with hotel programmes.

Our answer!

With Amadeus GDS hotel content, you and your customers have all you need, all in one place. You can see unrivalled, up-to-date content for around 310 top hotel chains and book rooms quickly and efficiently. Everything is fully automated and integrated for mid and back-office. There are no costs or operational risk and GDS hotels are consistently bookable across all of your channels.

Benefits

- Comprehensive tools deliver **complete control** and allow you to customise content

What can Amadeus GDS hotel content do for me?

Currently, you can get accurate rates and availability in real time for the 310 hotel chains connected to Amadeus.

As well as quantity, we make sure that the quality of our content is unsurpassed. Amadeus has invested significantly and has partnered with fellow hospitality distribution players to provide quality, standardised content that delivers information in an 'easy-to-use' format to make the selling process easier and more comprehensive. And, of course, the GDS is also the most reliable platform for negotiated (nego) rates and contract, policy and preference support.

Our portfolio includes hotels of all types and in all locations. That way you can always be sure to give your customers exactly what they want, where and when they want it. Plus thanks to Amadeus LinkHotel, our own worldwide hotel representation company, you can integrate and adapt specific hotel content to meet your or your customers' requirements. We have massively expanded our range of hotels on offer, with new properties being located and added literally every day.
