Amadeus Hotels Plus

Learn how to make an efficient hotel search and make more money with hotels!

With Amadeus Hotels Plus you get instant access to hotel chains, representation companies and leading aggregators.

For some aggregators you will need to register before booking whether you are already affiliated to these aggregators or not. By registering you identify your agency and then you will be able to see your negotiated content and special contracted conditions (i.e. commissions, credit line, etc.).

Step 1 – We have mapped your aggregator account to your office id

You will now see your agreed agency commission and rates directly in Hotel Plus. If the aggregators you are registered for do not show in the availability list, please contact Service Bureau service.bureau@amadeus.com

Step 2 – Search for a Hotel

Start your search by filling in the [city](#), [airport](#), [IATA code](#), [Address](#), [Landmark](#) or [Hotel Property Code](#). The smart auto-completion feature will help you to select your destination quickly. Then, enter the [check-in & check-out dates](#) or only the check-in dates with the number of nights. Here you can also select the number of rooms and occupants (including children).
