Amadeus Transfers

Where every journey begins and ends with traveler's peace of mind

Arranging flight and hotel reservation for your travelers is the easy part.

Yet, have you thought about their transfer's needs?

With some destinations, travelers encounter more stress and anxiety than others ... But as well in some specific situations such as early business meetings and late arrivals.

Research shows that for many travelers, arranging their own transportation at destination contributes to unnecessary challenges, worry and stress.

(FMC Travel, How to reduce traveller friction, 2020)

Give your travelers the peace of mind they're looking for with **Amadeus Transfers**, powered by the world leading B2B mobility platform.

Added value: what's in it for you?

- 1. Full integration into your systems**, to align with your other segments
- 2. Relevant content**, allowing rate comparison
- 3. Customized experience** for a better conversion
- 4. Cross-sell opportunities** to enrich your offer

The image is a composite of two photographs. The top half shows a laptop screen displaying the Amadeus Transfers web interface. The interface includes a search bar, flight details (Charles De Gaulle Airport, Paris to EBB Taxis, Avenue Gustave II Bld, Paris), and a date (Aug 25, 2014). The main content area shows a list of transfer providers: Provider 1 (Standard, EUR 48.95), Provider 2 (Business, EUR 89.43), Provider 3 (First Class, EUR 229.25), Provider 4 (Standard, EUR 50.56), and Provider 5 (Business, EUR 50.56). The bottom half shows a woman with curly hair, wearing a white blazer and headphones, smiling from inside a car. She is resting her head on her hand and looking out the window.
